IV National Conference for HR-CSR on “Abhyudaya – Integrating ESG & Civilisation Wisdom for Comprehensive Wellbeing” 24–25 October 2026 | Bhopal, Madhya Pradesh

United Council for Ancient Wisdom proudly presents the ‘IV National Conference for HR-CSR on Abhyudaya – Integrating ESG & Civilisation Wisdom for Comprehensive Wellbeing’, a confluence of thought leaders and changemakers dedicated to exploring the integration of ancient Indian wisdom with Environmental, Social, and

Objectives of the Conference

The primary objective of the conference is to explore the scope, relevance, and applicability of Civilisational Wisdom–based models for achieving **Abhyudaya (comprehensive upliftment)** within the ESG framework.

Specifically, the conference aims to:

1. Environmental Abhyudaya: Dharma-Based Ecological Sustainability

To integrate Civilisational Wisdom-inspired ecological principles with ESG practices, promoting sustainable resource use, biodiversity protection, climate responsibility, and regenerative environmental stewardship through conscious HR and CSR initiatives.

2. Social Abhyudaya: Lokasangraha for Inclusive Development

To develop HR and CSR frameworks rooted in Lokasangraha and Samatva, advancing equity, employee wellbeing, community empowerment, diversity, and holistic societal progress aligned with ESG standards.

3. Governance Abhyudaya: Ethical Leadership and Accountability

To establish dharmic governance models inspired by the Civilisational Wisdom, strengthening transparency, integrity, stakeholder trust, and measurable ESG accountability for sustainable institutional growth.
